Each year the Down River Association of Realtors® recognizes Realtor® and Affiliate members who have made an outstanding and dedicated contribution to the betterment of our community. In the spring of 2004, the Membership Committee received the following nomination letter submitted by Maria Chirco, a Realtor® member and subsequently awarded the 2004 GOOD NEIGHBOR AWARD to Marc Newman of Buy Me Realty®:

**To the Down River Association of Realtors®:**

***I would like to nominate MARC NEWMAN for the GOOD NEIGHBOR AWARD. I did not know Marc before contacting him to help with the [Habitat for Humanity house](#). I still don't know him very well, but what I do know is that he is very deserving of this award.***

***I was very impressed with his dedication and enthusiasm in getting involved in such a great project. His hard work, long hours and willingness to help whenever and where ever he was needed was very impressive.***

***I know that he did not take on this project for recognition, because the people that take on such challenges do it from the heart, always ready and willing to help others whenever needed.***

***When I spoke to him he was always upbeat and in control, but I knew he was under a lot of pressure and stress. It is not easy to coordinate all the trades people to be there on schedule so that each job would be done on time. Marc was also very accommodating to all the contractors, ready to do anything to make their job run smoothly.***

***I applaud you Marc for your dedication, hard work and a job well done.***

***My best and sincerest regards,  
Maria Chirco***
